## Fastest & Friendly Service

Corporate Insurance | Commercial Insurance | Personal Insurance

# ATLAS - Journey

**Atlas Insurance Broking Private Limited** started its journey in the year 2013 by experienced and qualified insurance professional team having its office in Hyderabad. Subsequently, licensed by the Insurance Regulatory and Development Authority (IRDA) in the year 2014 as Direct Insurance Broker authorized to transact Life & General Insurance Business.

In a short span, ATLAS has grown to a strength of 30+ resources and we take pride in that our Team is known in the industry for its professional approach. We live by our principle of "Fastest & Friendly Service" in delivering more than we promise.

Nowadays when selection of product and insurance company becomes key decision, ATLAS plays catalyst by associating with the client in their decision making process. We are committed to bring the changes in the mindset of the Corporate Sector about the effectiveness of implementing insurance as Risk Management tool rather than as an impending cost factor. As a result of the same, now ATLAS has more than 250 Corporate clientele from various types of business segments, showing steady growth of 25% year by year since inception.

With the strength of our vast experienced team, ATLAS is well equipped in extending best services to the insurance clientele in imparting customer awareness programmes. Moreover, Team at ATLAS has academic excellence as faculty members for IIT-Mumbai, NIA-Pune and IIRM-Hyderabad.

# ATLAS - Vision & Mission

To provide clientele with an error free policy support with optimum risk coverage at modest premium

To become the first option to the clients in the market with fast and friendly service

## Why Atlas Insurance Brokers

### Experience blended with competence

Atlas Insurance Brokers is floated and manned by well experienced insurance professionals having worked in higher management level, in different insurance companies-with over 30 years of experience.

### Impartiality

Since our workforce came from different Insurance Companies, there is no biased approach to any insurance company. This would help us to get best option to the client, every time.

### Well informed

Insurance knowledge is updated to analyze the risk in the right perspective. ATLAS provides prudent risk management advices at Free of Cost to all the clients and this will help them to reduce operational insurance cost and overall risk & administrative cost.
